

Illegal dumping

Placing unaccepted items on the naturestrip and placing items out too early is considered as illegal dumping and a penalty up to \$10,000 may apply.

Other disposal options

Asbestos

For information about disposing of asbestos, contact the EPA on 1300 372 842.

Detox Your Home

Residents can dispose of household chemicals for free through Sustainability Victoria's Detox Your Home drop off events or sites. For more information visit www.sustainability.vic.gov.au/detoxyourhome

Whitehorse Recycling and Waste Centre

Garbage, tyres, car batteries, engine oil, timber, gas bottles, paint tins, brick and concrete can be taken to the Whitehorse Recycling and Waste Centre, corner of Burwood Highway and Morack Road, Vermont South. Charges may apply. Visit our website for a list of charges and accepted items.

Additional Hard Waste

If you have additional hard waste, speak to your building manager, consider booking a private hard waste collection or take items to the Recycling and Waste Centre.

Consider donating, selling reusable items or using other Council services.

For more information on waste and recycling disposal options scan the QR code, visit whitehorse.vic.gov.au/rubbish-recycling or call 9262 6333.

Approved Regular Hard Waste Collection for Multi-Unit Developments

Your buildings hard waste collection will be collected

Your buildings entitlement allows for up to cubic metres to be collected
(m x m x m).

See inside for further information

Printed on 100% recycled paper. Please recycle.

Presenting Your Collection Correctly

Please contact your building manager directly before placing materials out for collection.

Contact:

① Place hard waste out on time

Neatly place acceptable items on the approved location the weekend before your collection week (by 6am Monday morning for collection during that week).

② Present your materials correctly

Location:

Only place accepted items out for collection. Present general waste and scrap metal/electrical items in two separate piles. Check the list opposite or visit our website. Each item must:

- be less than 1.5 metres in length (excluding some furniture items and items with smaller limits)
- be easily lifted by two people
- must not exceed the buildings size allowance.

③ Remove uncollected materials

Incorrect items will not be collected and must be removed from the nature strip within 24 hours of collection or you risk receiving a fine.

Accepted collection – guide only

Don't exceed the allocated amount

If you place items that exceed your buildings allocation it will not be collected and items may be considered as illegal dumping.

YES 是

Important: Refer to your building manager for item limits
